

MEDIC ONE FOUNDATION

**W. Hunter Simpson Fund for Research and Development in
Pre-Hospital Emergency Care**

Research Grant Request for Proposals

The Medic One Foundation announces the availability of a limited number of grants through the W. Hunter Simpson Fund for Research and Development in Pre-Hospital Emergency Care. Preference will be given to the evaluation of new devices or new applications of existing devices for resuscitation in the following areas of interest:

- Emergency medical services
- Cardiac arrest
- Prevention of sudden cardiac death
- Myocardial infarction

Guidelines

Proposals should include the following information:

- Background
- Goals
- Methods
- Analyses
- Budget
- CV's & Publication Listing for principal investigator and any other major investigator(s)

There is no set limit on the dollar amount of a request; however, the Hunter Simpson Fund Steering Committee intends to fund awards in the range of \$50,000 to \$150,000. Indirect expenses are limited to 10%.

Proposal Deadline

Please submit 8 copies of the proposal to the Medic One Foundation office **before October 31, 2011**. In addition, please include 8 copies of the principal investigator's CV and one copy each of any other investigator's CV.
