KC FIRE CHIEFS/MEDIC ONE FOUNDATION TO ANNOUNCE LIFE-SAVING APP

(Seattle, WA) On Thursday, June 2, King County Fire Chiefs Association and Medic One Foundation will be announcing the newest way to save lives and alert community members to a sudden cardiac arrest in their immediate vicinity. Those scheduled to speak include the President of the King County Fire Chiefs Association and the Program Director of Medic One/King County's Emergency Medical Services (EMS). Also in attendance to answer questions will be representatives from the Medic One Foundation, Valley Communications, NORCOM, and multiple regional fire chiefs.

The announcement also highlights National CPR & AED Awareness Week, June 1-7, 2022

Event Details:

WHAT: Press conference announcing the launch of life-saving app in King County

WHEN: 10:00 a.m., Thursday, June 2

WHERE: Tukwila Fire Station 52
