

Lifesaver Partnership Brochure

MEDIC ONE FOUNDATION

“If you want excellent, best in the nation response when you call 911, it has to start at the community level with Medic One Foundation. Without the community supporting Medic One Foundation, there is no way we could do what we do.”

Alan Goto
Seattle Medic One Paramedic

A Lifesavers Partnership Supports the Medic One Paramedic Training Program

It's simply a matter of life or death. If you or a loved one is fighting to stay alive, you want the very best out-of-hospital emergency care. For 50 years, the Medic One Foundation has been a critical link in our region's Medic One system, helping to ensure an advanced level of pre-hospital emergency care that is second to none. In fact, in the Puget Sound region, cardiac arrest victims are two to three times more likely to survive. Charitable contributions are the primary source of funding for the training program, and provide the level of education and training that teaches Medic One paramedics to do what a physician would do if they were on the scene.

Why Become a Partner of the Lifesavers Gala?

Your support gives our region's paramedics the knowledge, skills, and experience they need to save lives—maybe even your own. Partnership also comes with an array of commensurate benefits, lasting 12 months. The partnership levels and corresponding benefits are outlined on page 3. For every partnership level, we will proudly announce your life-saving support to:

- 500 event attendees at the Lifesavers Gala
- More than 2,000 emergency medical services personnel
- 15,000 Foundation donors
- 10,000 social media followers
- 500,000 Seattle Times readers

How Will Your Partnership Help?

There is an overwhelming need right now to train more paramedics. The incoming class of the Medic One Paramedic Training Program, our 51st training class, will be our largest ever, with 32 students. Our organizational fundraising goal this year is to raise \$1.2 million to fund the training of Class 51, as well as provide continuing education to 270 active paramedics.

As we celebrate the 50th anniversary of the Medic One Foundation, we reflect on half a century of unwavering commitment to excellence in pre-hospital emergency care. Your gift will be most helpful in ensuring that Medic One paramedics have the necessary skills, knowledge and experience to offer the best chances for survival in life-threatening medical emergency.

Additional underwriting opportunities are available. For more information or to secure a sponsorship, contact Sara Oshikawa-Clay at (425) 625-2032 or sara@mediconefoundation.org
